

TAKE YOUR CHESS TO THE NEXT LEVEL....

The Holiday Chess Camp

THE MOST EXPERIENCED AND THE BEST...

The Chess Odyssey camp program has developed over 12 years and 105 camps, and features substantial instruction in a fun and exciting environment. Mornings are mostly devoted to group learning, small group coaching, skill building exercises, and individual interaction with our coaching staff. Afternoons are spent refining skills and understanding in formal and recreational play. We use a variety of diagnostic methods to divide campers into study/play groups based on their age, experience and skill level. Some of our students are state champions (we've trained 25 of them in the last 12 years); others are just figuring out how knights move. We treasure each and every one of them. Our twin goals for all our students are learning & laughter. Happy, excited kids who are having fun while learning a great game with their friends is what we are all about
